

# ACT NOW OR YOU COULD HAVE A TOLL ROAD IN YOUR BACKYARD!

**THE TRANSPORTATION CORRIDOR  
AGENCIES (TCA) HAS PROPOSED TOLL  
ROAD ROUTES THAT WOULD NEGATIVELY  
IMPACT OUR COMMUNITIES**

**ROUTE #9 AND ROUTE #18 ("THE BELTWAY" OPTION)  
ARE CURRENTLY BEING CONSIDERED BY THE TCA**

#### **HOW THIS TOLL ROAD WOULD IMPACT YOU**

- Lower your home value
- Increase your risk for respiratory & other illnesses  
(children are particularly susceptible)
- Subject you to noise and air pollution

#### **WHY "THE BELTWAY" OPTION MAKES NO SENSE**

- Would not alleviate traffic issue on I5 Fwy
- Cuts through protected land with endangered  
and threatened species
- Would cost billions and require eminent domain  
to take homes
